

CURRICULUM VITA

Farkhondeh Amin Shokravi

Personal Data:

Gender:

Female

Citizenship:

Iranian

Place of Birth:

Saveh, Central province, I.R of Iran

Address:

Tarbiat Modares University, Tehran, I.R of Iran. P.O.Box: 14115-111.

Academic Background:

PhD:

Ph. D. degree in the Public Health department of Wellington Medical School of Otago University, New Zealand, 2002

Doctor of Philosophy courses:

Health Promotion & health education with a value of 12 credits.

Health research methods (Qualitative and Quantitative) with a value of 12 credits.

Two years Course of Academic English Proficiency with an excellent degree, Victoria University, Wellington New Zealand, 1998.

Ph.D. Thesis "Unplanned pregnancies in Iran and New Zealand: A search to find the causes.

It was a cross cultural studies and completed successfully and submitted to Otago University on the year of 2000.

M.sc: Master in Health Education (۱۳۷۰) in the department of Medical sciences of Tarbiat Modares University, Iran.

B.sc: Bachelor of Public Health (1367) in the department of Health Sciences of Medical Sciences of Tehran University, Iran.

Professional Experiences:

- Associated Professor, Faculty of Medical Sciences, Tarbiat Modares University, 2013 to present.
- Assistant professor, Faculty of Medical Sciences, Tarbiat Modares University, 2002 to present.
- A member of Ethical committee of Tarbiat Modares University, 02/03/2005 to present
- Research administrator of Health Education (۱۹۹۷) in the department of Medical sciences of Tarbiat Modares University, Iran
- Lecturer, Faculty of Medical Sciences, Tarbiat Modares University, 1993-2002.
- English proficiency Courses, Victoria University, Wellington, New Zealand, 1993-1995.
- A member of scientific committee of health education, 01/01/1998 to present

- The first: From 14th April 1993 to 9th July 1993. With Grade A.
- The second: From 4th August 1993 to 29th October 1993 With Grade A
- The third: From 10th November 1993 to 11th February 1994 With Grade A

Teaching Experiences:

Educational Calendar of 2016-2017:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

MS, Internship, Health education research, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2016 to Dec 2016.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2016 to Dec 2016.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2016 to Dec 2016.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2016 to Dec 2016.

Educational Calendar of 2015-2016:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Educational Calendar of 2014-2015:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Women Health, Ms. Course, Human Sciences Dept. Faculty of Medical Sciences, Tarbiat Modares University, second semester, from 2015-June 2015.

Educational Calendar of 2013-2014:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Educational Calendar of 2012-2013:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2011-2012:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2009-2010:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2008-2009:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Educational Calendar of 2007-2008:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Educational Calendar of 2006-2007:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2005-2006:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2004-2005:

School Health Promotion. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, Second semester, from Jan 2017-June 2017.

PhD, Internship, Health Promotion Activities on work setting on Organizations, from Jan 2017-June 2017.

Health Promotion Strategies, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Ethics in Research, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015 to Dec 2015.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2015to Dec 2015.

Educational Calendar of 2003-2004:

Health Education Philosophy, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to Dec 2004.

Health Education Philosophy, Ms. Course, two credits, Medical School. Baghiatollah University, First semester, from Sep 2003 to Dec 2004.

Health Education Philosophy, Ms. course, two credits, Parasitology Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Jan 2003 to June 2004.

The Role of Health Education in Sustainable Development, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to Dec 2004.

Educational Calendar of 2003-2004:

Health Education Philosophy, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to Dec 2004.

Health Education Philosophy Master and MPH Course, two credits, Medical School. Baghiatollah University, First semester, from Sep 2003 to Dec 2004.

Health Education Philosophy, Ms. course, two credits, Parasitology Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Jan 2003 to June 2004.

The Role of Health Education in Sustainable Development, PhD course, two credits, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to Dec 2004.

Health Communication. Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to June 2004.

Seminar in Health Education, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to June 2004.

Medical English, Ms. Course, Health Education & Health Promotion Dept. Faculty of Medical Sciences, Tarbiat Modares University, First semester, from Sep 2003 to June 2004.

Research Interests:

1. Public Health
2. Mental Health
3. Family Planning
4. Theories and models of Health Education particularly proceed and proceed of Prof. Green
5. Framingham equation
6. Health Promotion
7. High risk behaviors
